

CAREER OBJECTIVE

Full Stack Java Developer with expertise in designing and developing end-to-end web applications using Java, Spring Boot, Hibernate, REST APIs, Angular, and SQL. Skilled in creating responsive and intuitive user interfaces, integrating frontend with backend services, and ensuring optimal database performance. Experienced in implementing secure authentication, API integrations, and scalable architectures. Committed to delivering clean, maintainable code and building solutions that enhance user experience and meet business goals.

ACADEMIC EDUCATION

B.E Computer Engineering | PK Technical College of Engineering | SPPU University | Pune **2021-2025**
SGPA: 8.90 | CGPA:7.65

HSC (Science)| Nirmal Bethany Junior College| Pimpri Chinchwad |Pune **2019-2021**
Percentage: 75%

TECHNICAL SKILLS

- **Frontend:** HTML5 ,CSS3 , JS , Bootstrap , Angular
- **Backend:** Java, OOPs, Collection-Framework, Exception-Handling, JDBC, JSP, Servlet, REST API, Hibernate(ORM), Spring, Spring Boot, Spring MVC, Spring Security, Spring JPA.
- **Database:** SQL
- **Tools and Software:** Eclipse ,VS Code , Postman , Maven , MYSQL Workbench , Apache Tomcat , Git , GitHub

PROJECTS

UniTrack System

- Developed a web-based system for tracking and managing student academic records, assignments, and attendance.
- Implemented secure user authentication with role-based access for administrators, faculty, and students.
- Built RESTful APIs using Spring Boot and integrated them with a MySQL database for efficient data storage and retrieval.
- Designed an Angular-based frontend for seamless user interaction and improved usability.
- Enabled features for course management, attendance tracking, and automated reporting.

Personal Profile Web-Page

- Developed a responsive and visually appealing personal profile website to showcase bio, skills, and projects.
- Implemented modern frontend design principles focusing on layout, usability, and responsiveness across devices.
- Practiced clean UI design and improved hands-on experience in web development.
- Tech Stack: HTML, CSS, JavaScript

INTERNSHIPS

Web Developer Intern-[CodSoft]

Feb 2024 - March 2024

- Designed and developed interactive client websites using HTML, CSS, JavaScript, and Bootstrap.
- Enhanced user engagement by implementing responsive layouts and dynamic content.
- Used GitHub for version control and collaborated with senior developers.

TRAINING CERTIFICATION

- Full Stack Java Development 
- Software Engineering Job Simulation 
- Institute Web Development 
- Certificate Course in Programming C++
